Sir:

Attached, in duplicate, is Form PTO-1050, with at least one copy being suitable for printing.

The exact pages and line numbers where the errors are in the patent and Examiner's Amendment, and are correctly shown in the patent application, are:

a) In the Abstract:

Line 1, after "overhead", insert --door--. This was an error in the Examiner's Amendment in the Notice of Allowance.

Line 6, after "door,", delete [(when)].

Line 9, after "beam are", delete [connected] and insert --interconnected--.

- b) Column 2, lines 38 and 39, delete the "return" after "similar to". It should read as one sentence as follows: --Fig. 9 is an enlarged, perspective view of the beam similar to Fig. 8 only showing associated parts removed therefrom;--.
- c) Column 3, line 67, delete [s] and insert --is--.
- d) Column 5, line 12, delete [351] and insert --35I--.
- e) Column 6, line 44, after "door.", begin the sentence with a capital letter. Delete [the] and insert --The--.

- g) Column 10, line 37, delete [respected] and insert --respective--.
- h) Column 10, line 47, delete [from] and insert --front--.

No fee is due because the above-described errors are the fault of the Patent and Trademark Office.

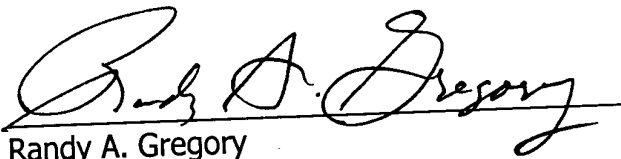

Please send the certificate to the undersigned at the above address.
